8. The raffle sales are going well, please bring in your money and continue to sell raffle tickets.

Open studio : Jane Rekedahl talked about the AHA group that is participating in the Monterey open studio tour at the Oldemeyer Center in Seaside, 986 Hilby Ave. The artscouncil let them have the space for free. Jane was handing out the signage and catalogs. Kati D'Amore is participating in her studio both weekends in Royal Oaks, 3345 Conant Lane.

Two clipboards were passed around for artists to commit to food donations for the AHA kitchen during HAF, chili, soup, toppings as well as baked goods. The kitchen makes a good amount of money for the group during this event. The Second sheet was for service opportunity, to help for a few hours. JoAnn will send out an email later on. Food can be dropped off already o Friday or Saturday morning. Please include ingredients, i.e, gluten free, nuts, put a name on your containers and if you have extras, donate paper plates and napkins.

9. AHA wants to get more advertisement for HAF. Please share the flyer that Andrea created. Kati will advertise HAF on instagram. AHA has a facebook page and will have posts there.
