AHA Moments
June 11, 2026
Aromas Grange
6.30pm

Meeting was called to order by Sally Diggory after the 15 minute chat time. There was an unusual number of new faces and two tables had to be added. After introductions of members and guests there was a nice exchange about the question: “which artist - living or dead would you like to meet and why.?” There were some familiar names like Michelangelo, Van Gogh, O’keefe, Escher, Monet, Vermeer, but also some lesser known.

Claudia Harden handed out a gift of lavender sachets.

Today’s art theme was **Abstract** and many members brought in work to share.
